- Intuitive controls.
- Made of premium-class hypoallergenic medical silicone.
- Odourless.
- 100% waterproof.
- Up to 4 hours operation on one charge of battery.
- Magnetic charger. Please note initial charging time is 2 hours.
- Size: 7 x 1,3 inches (18 x 3,5 cm).
- 1-Year Warranty.

As far as your imagination goes ...

We recommend using Gvibe² with a small amount of water-based Gjuice lubricant. Using silicone lubricant is not recommended.
